Why do you smile?
So I see reason.

Why do you care?
So I know the truth.

Why do you listen?
So I can believe you.

Why do you bother
So I keep sane.

Why do you lie?
So I can be me.

Why do you laugh?Â
So I can be sad.

Why do you answer?
So I am uncertain.

Why do you cry?
So I can I be happy.

Why do you love me?

Â Because you are the reason, the truth, the beliefs, the sanity, the happiness, theÂ Â sadness, and the
uncertainty that makes me me.Â Â
