**Image is everything,
Clyde tells you. Give
Folks what they want**

**To see and want to believe,
Bonnie, they donâ€™t want
The darn truth, they want**

**High heroes, vile villains,
Want them pretty bad. You
Pose, the gun, the cigar,**

**Even put the left foot
On the bumper of the car.
He prepares to shoot you,**

**Prepares to take the shot,
Shyly smiles, suggests you
Stare hard into the old box**

**Camera. You want to laugh,
Run over to him and kiss
His mouth and toss the**

**Cigar and give him back
The gun and get on with
Life, with being, with the**

**Hard won fun. Hold it just
There, he says, hold the
Head just so, thatâ€™s it, got**

**You just as theyâ€™™ll want
To see. You stand and stare,
Sense dark danger in the air.**
