**Hot soup ladled slowly,  
Slow mouthfuls when voice is taken,Â  
Eat full of mouth, expressing nourishment beyond.**

**Three courses with this meal I do take,  
Bread roll, soup starter beyond apple pie and custard,  
Life shows endless possibilitiesâ€!  
Smiley faces, pleasant evenings,  
â€~Thank you, call again!â€™ sign on the door.**

Arousing the simplicities of life,  
With strong words from one so young.**

Inspiration-less motion forward,  
Looking like a script called verse.**

**Unconventionally ending!!**
